Subject: Excelsior Mining Company contact number

Hi William,

Here's the Excelsior contact number in Phoenix for information about the project. Number 602-559-5579 and feel free to see their website at www.excelsiormining.com. Please feel free to access <https://foiaonline.regulations.gov/foia/action/public/home> for the Excelsior application already posted.

Do you want to be added to my mailing list as an interested person? Then, when there is a public notice, I would send it to you.

Thanks, Nancy
